

# Like A Coat From The Cold

Guy Clark

I found comfort and courage in bottles of whiskey  
I swear to you friends that that life is some risky  
I have backed away quickly from those who tried to burn me And stopped up my ears that no one should learn  
me  
But the lady beside me is the one I have chosen  
To walk through my life like a coat from the cold I have flown like a bird from each cage that confined me  
And broken every one of the ties that bind me  
And I have danced me around some sad ol' situations And taken my share of them sweet temptations  
But the lady beside me is the one I have chosen  
To walk through my life like a coat from the cold  
To walk through my life like a coat from the cold
