

# Do You Love an Apple

## The Secret Sisters

Do you love an apple?  
Do you love a pear?  
Do you love a laddy  
With curly brown hair? Why, yes, I love him  
I'll never deny him  
I'll always love him  
Till the day that I die Before I got married  
I wore a black shall  
But after I married  
I wore bugger-all But still I love him  
I'll never deny him  
I'll always love him  
Till the day that I die He stands on the corner  
A fag in his mouth  
His hands in his pockets  
He whistles me out But still I love him  
I'll never deny him  
I'll always love him  
Till the day that I die Do you love an apple?  
Do you love a pear?  
Do you love a laddy  
With curly brown hair? Why, yes, I love him  
I'll never deny him  
I'll always love him  
Till the day that I die
