

# At the End (F.E.O.S. Treatment) [feat. Nadia Ali]

[lio](#)

When you're away  
I'm feeling empty, I lose my mind  
But when you're around  
I take for granted most of our time Honey, you say that I'm cold  
And sometimes I'm out of control  
Baby, you know how I am  
At the end, you're always mine I don't mean to when I hurt you  
But I need you, I assure you  
Just let me be when I'm crazy  
At the end, you're still my only At the end, at the end, at the end  
At the end, at the end, at the end  
At the end, at the end, at the end  
At the end, at the end, at the end Right when you're gone  
I really miss you, you got my heart  
When you come back  
I just won't kiss you and it tears you apart Honey, I do make mistakes  
Believe me, it's better this way  
Baby, I'm true and I'm real  
I'm giving you all that I feel I don't mean to when I hurt you  
But I need you, I assure you  
Just let me be when I'm crazy  
At the end, you're still my only I don't mean to when I hurt you  
But I need you, I assure you  
Just let me be when I'm crazy  
At the end, you're still my only Sweetie, I'm trying my best  
To give you the most and no less  
Darling, I'm true and I'm real  
I'm giving you all that I feel I don't mean to when I hurt you  
But I need you, I assure you  
Just let me be when I'm crazy  
At the end, you're still my only I don't mean to when I hurt you  
But I need you, I assure you  
Just let me be when I'm crazy  
At the end, you're still my only At the end, at the end, at the end  
At the end, at the end, at the end  
At the end, at the end, at the end  
At the end, at the end, at the end
