

# Open Arms

## Journey

Lying beside you, here in the dark  
Feeling your heartbeat with mine  
Softly you whisper, you're so sincere  
How could our love be so blind  
We sailed on together  
We drifted apart  
And here you are, by my side[Chorus]  
So now I come to you with open arms  
Nothing to hide, believe what I say  
So here I am, with open arms  
Hoping you'll see what your love means to me  
Open armsLiving without you, living alone  
This empty house seems so cold  
Wanting to hold you  
Wanting you near  
How much I wanted you homeNow that you've come back  
Turned night into day  
I need you to stay[Chorus]
