

Beautiful Sky

Katja Werker

Oh tonight, shines down a guiding light
Showing a former life when we felt so alive
In a sea of light swimming before my eyes
Hold on to what is right, open your open mind
Oh no, please, don't let me go
No, please, don't leave me here
To grieve innocent times
In the beginning, I felt we were living
I felt so alive under beautiful skies
Oh, tonight slip in and out of life
Yet feeling so alive, lost in the sea of light
Oh no, please, don't let me go
No, please, don't leave me here
To grieve innocent times
In the beginning, I felt we were living
I felt so alive under beautiful skies
Oh no, please don't let me go
No, please, don't let me go
No, please, my beautiful skies
In the beginning, I felt we were living
I felt so alive under beautiful skies
