Lover Please

Kris Kristofferson

Lover please, please come back
Don't take a train comin' down the track
Don't please, don't please, don't leave me
Don't leave me in miseryYou would never hold me near
You would never call me dear
Don't you know I'd die for you
Now you're gone that's what I'll doLover please, please come back
Don't take a train comin' down the track
Don't please, don't please, don't leave me
Don't leave me in miseryOld love story, not too long
'Bout a love that went all wrong
Girl left boy, boy went bad
Now he's gone and she's so sadLover please, please come back
Don't take a train comin' down the track
Don't please, don't please, don't leave me
Don't leave me in miseryLover please, please come back
Don't take a train comin' down the track
Don't please, don't please, don't leave me
Don't leave me in miseryLover please, please come back
Don't take a train comin' down the track
Don't please, don't please, don't leave me
Don't leave me in miseryLover please, please come back
Don't take a train comin' down the track
Don't please, don't please, don't leave me
