The Human Being Lawnmower

MC5

Can you hear me?
Hope you can
Listen here closely
You'll understandMake way for the killer race
They use the Bible
Millimeter by millimeter
Millimeter by millimeterSix times hot as the sun
Didn't mean to hurt anyone
Didn't mean to hurt anyone
Sorry, sorry, yeahDon't try to force them
To help them
Do what they do
What they doSo the hurting's not on you
Chasing for miles
Until you're standing before
The Human Being Lawnmower
