

# Barce-Loner

## Dinosaur Pile-Up

I'm alone in Spain (Yeah)  
Nobody Knows my name (no)  
I played a show to a thousand million people  
But I'm still on my own I'm in my hotel (yeah)  
My own personal hell hole  
I took a plane to a thousand different places  
But I'm still on my own Wish that your friends would care  
Wish that your friends were friends  
Wish that your friends were a thousand different people  
But I'm still in Barce-Loner (hey!)  
In Barce-Loner  
In Barce-Loner  
In Bacer-Loner  
I'm in the back of a car (yeah)  
I'm goin' somewhere i've never been before  
I've got a thousand people banging on the windows  
But I'm still on my own I got a girl at home (yeah)  
She's blowing kisses at the radio  
She's screaming "Daddy won't you take me to the show"  
I mean I'm still on my own Wish that your friends would care  
Wish that your friends were friends  
Whis that your friends were a thousand different people  
But I'm still on my own  
Wish that your friends would care  
Wish that your friends were friends  
Whis that your friends were a thousand different people  
But I'm still in Barce-Loner  
Wish that your friends would care  
Wish that your friends were friends  
Whis that your friends were a thousand different people  
But I'm still on my own  
Wish that your friends would care  
Wish that your friends were friends  
Whis that your friends were a thousand different people  
But I'm still in Barce-Loner  
In Barce-Loner  
In Barce-Loner  
Ay-ay-ay-ay-ay-ay-in Barce-Loner  
Ay-ay-ay-ay-ay-ay-in Barce-Loner

Ay
