Diss Never (Dig Up We History)

Tricky

A yes a little boy come try and diss way
I must say one little different and case
And with so little force right now try and come this way
A marathon a go put it to wasteThem want no more, they shoulda dug up we history
'Cause war them live them shoulda now that it no safe
Ex amount a body da is unsolved mystery
It just a phone call close the caseBut when them missing, them can hold bad man responsible
But a true that a bad man job is invincible
But when them missing, them can hold marathon responsible
But a true that a bad man job is invincibleBut after me da pan me corner chill
Here so little boy a injured and killed
They must want issued and feel well
Well so little boy don't even have no willUnfortunately we take care of them bill
Then never have a find them information skill
Now no batty boy find that illBut when them missing, them can hold bad man responsible
But a true that a bad man job is invincible
But when them missing, them can hold marathon responsible
But a true that a bad man job is invincibleA yes a little boy come try and diss way
I must say one little different and case
And with so little force right now try and come this way
A marathon a go put it to wasteThem want no more, they shoulda dug up we history
'Cause war them live them shoulda now that it no safe
Ex amount a body da is unsolved mystery
It just a phone call close the caseBut when them missing, them can hold bad man responsible
But a true that a bad man job is invincible
But when them missing, them can hold marathon responsible
But a true that a bad man job is invincible
