Move Your Feet

Relinquish

Move Your Feet: Matthew Spano, Loyd Rieves, Luke Fortner

Verse 1:
Lets Run, Lets Leave
Don't think about me
just move as the music calls you
don't think, just be
totally free
let your body speak for you

Chorus:

Get up, Get up, Get up, Get up
and Move Your Feet
Get your back off the wall
and come dance with me
Come on, Come on, Come on, Come on
and feel the beat
Everybody Move Your Feet

Verse 2:

We can fly, We can drive
Wherever you like
Whatever will make you move
Spin the Wheel, Roll the Dice
Don't think about it twice
Tonight You have nothing to prove

Chorus:

Bridge: 2x

Don't be afraid
I see that face
Your always on my mind
Tonight is our time

Chorus: 2x
