Cold Day In Hell

Tom Keifer

I can't believe it's you
Standing here at my door
Dressing like an angel
Working it like a w
Well I ain't gonna amnesia babe
And I'll remember to the bitter end
Ain't no bottom feeder now
Ain't gonna pull you from the gutter again
It'll be a cold day in hell
Freezing in July
The devil back in heaven p money from the sky
The poison on your lips
Is all you got to sell
The day I take you back will be a cold day in hell
Well take a look at me
I've never been such a shuttered man
You put the b on me
Had me caught like a dog on a chain
Well now I'm breaking free
You cut my pride to the core
Live in your fantasy
Ain't gonna swallow my pride no more
It'll be a cold day in hell
Freezing in July
The devil back in heaven p money from the sky
The poison on your lips
Is all you got to sell
The day I take you back will be a cold day in hell
Ain't it a shame when love dies
In all it's diamonds and pearls
You can't say I never tried
I try and try it's heaven enough
It'll be a cold day in hell
Freezing in July
The devil back in heaven p money from the sky
The poison on your lips
Is all you got to sell
The day I take you back will be a cold day in hell
Cold day in hell

Cold day in hell
