

# Cold Day In Hell

Tom Keifer

I can't believe it's you  
Standing here at my door  
Dressing like an angel  
Working it like a w  
Well I ain't gonna amnesia babe  
And I'll remember to the bitter end  
Ain't no bottom feeder now  
Ain't gonna pull you from the gutter again  
It'll be a cold day in hell  
Freezing in July  
The devil back in heaven p money from the sky  
The poison on your lips  
Is all you got to sell  
The day I take you back will be a cold day in hell  
Well take a look at me  
I've never been such a shuttered man  
You put the b on me  
Had me caught like a dog on a chain  
Well now I'm breaking free  
You cut my pride to the core  
Live in your fantasy  
Ain't gonna swallow my pride no more  
It'll be a cold day in hell  
Freezing in July  
The devil back in heaven p money from the sky  
The poison on your lips  
Is all you got to sell  
The day I take you back will be a cold day in hell  
Ain't it a shame when love dies  
In all it's diamonds and pearls  
You can't say I never tried  
I try and try it's heaven enough  
It'll be a cold day in hell  
Freezing in July  
The devil back in heaven p money from the sky  
The poison on your lips  
Is all you got to sell  
The day I take you back will be a cold day in hell  
Cold day in hell
