

Stay Right Here

Js

Baby, don't go, I need you here, c'mon
Baby, don't take your love away
Stay right here beside me
Baby, don't take your love away
Stay right here beside me
Remember when we had the same ol' argument
You left angry straight out the door
It's not exactly what I had in store
Boy, come back to me
Baby, don't take your love away
Stay right here beside me
Baby, don't take your love away
Stay right here beside me
Only God knows what it's gonna take
To make you stay right here, boy
But I just gotta let you know
That life without you is so cold
So baby, won't you come back home
Baby, don't take your love away
Stay right here beside me
Baby, don't take your love away
Stay right here beside me
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Baby, don't take your love away
Stay right here beside me
Baby, don't take your love away
Stay right here beside me
Baby, don't you take it, baby, don't you take it
Baby, don't you take it, baby, don't you take it
Baby, don't you take it, baby, don't you take it
Baby, don't you take it, baby, don't you take it
Baby, don't you take it, baby, don't you take it

Baby, don't you take it, baby, don't you take it
Baby, don't you take it, baby, don't you take it
Baby, don't you take it, baby, don't you take it
 Baby, don't take your love away
 Stay right here beside me
 Baby, don't take your love away
