Mock Song

Phish

Zither, Rachel, cardamom, frost - But at what cost?
Threshold, skin, fortress, win - A life of sin
Pliers, tension, toy store, grace - The human race
Raking, fourteen, basket, screw - Now how 'bout you?
Passion, cardboard, raisin, stop - A better crop
Field, cater, open, new - Who's mocking who?
It's just a mock song

Gas, thirsty, rattle, tick - A bone to pick
Fountain, egg, treason, cave - Will you dance on grave?
Throat, carrot, meeting, choke - I got that joke
Temper, thistle, Rodney, wilt - The house I built
Fewer, pink, Kyle, ball - I've known them all
Penny, thistle, cell phone, blow - Reap what you sow
Because it's just a mock song
Call it what you will
