

Unstoppable

Rascal Flatts

Yeah yeah yeah..

Hey

So you, you've made a lot of mistakes
Walked down the road a little sideways
Cracked a brick when you hit the wall
Yeah, you've had a pocket full of regrets
Pull you down faster than a sunset
Hey, it happens to us all
When the cold hard rain just won't quit
And you can't see your way out of it

CHORUS

You find your faith has been lost and shaken
You take back what's been taken
Get on your knees and dig down deep
You can do what you think is impossible
Keep on believing, don't give in
It'll come and make you whole again
It always will, it always does
Love is unstoppable
Love, it can weather any storm
Bring you back to being born again
oh, it's a helping hand when you need it most
A lighthouse shining on the coast
That never goes dim
When your heart is full of doubt

And you think that there's no way out

CHORUS

You find your faith has been lost and shaken
You take back what's been taken
Get on your knees and dig down deep
You can do what you think is impossible
Keep on believing, don't give in
It'll come and make you whole again
It always will, it always does
Love is unstoppable
Like a river keeps on rolling
Like the north wind blowing
Don't it feel good knowing

Yeah

CHORUS

You find your faith has been lost and shaken

You take back what's been taken

Get on your knees and dig down deep

You can do what you think is impossible

Keep on believing, don't give in

It'll come and make you whole again

It always will, it always does

Love is unstoppable

Love is unstoppable

So you made a lot of mistakes

Walked down the road a little sideways

Yeah, love is unstoppable
