

# Wishes (Hitimpulse Remix)

## Rhodes

I had a feeling, that couldn't be found  
I was tired of getting struck down  
I never saw you coming my way  
I'm so, I'm so destructive  
Infatuated  
Now I see you running away  
When It's all I know  
It's all I know  
Remember the fine night there  
Didn't I show I cared  
I do  
Oh, I do  
Remember the white nights there  
Didn't I show I cared  
I do  
Oh, I do  
And I know  
Your anger by the stories you told  
They blacken my name  
It doesn't make a difference at all  
So stay  
If only I could try to explain  
That we'll have it all  
It might stop slipping away  
When it's all I know  
It's all I know  
Remember the fine night there  
Didn't I show I cared  
I do  
Oh, I do  
Remember the white nights there  
Didn't I show I cared  
I do  
Oh, I do  
Wishes like the cold wind on my face  
Wishes that could warm a frozen lake  
Oh, wishes  
I'm wishin' you away  
It's late

The light flickers off from the rain  
And it stains on my heart  
I wonder do you feel the same  
As you did at the start?  
Remember the fine night there  
Didn't I show I cared  
I do  
Oh, I do  
Remember the white nights there  
Didn't I show I cared  
I do  
Oh, I do  
Wishes like the cold wind on my face  
Wishes that could warm a frozen lake  
Oh, wishes  
I'm wishin' you away
