

Who Knew (Beat Cult Club Mix)

Pink

You took my hand, you showed me how
You promised me you'd be around
Uh huh, that's right
I took your words and I believed in everything you said to me
Yeah huh, that's right If someone said three years from now, you'd be long gone
I'd stand up and punch them out, 'cause they're all wrong
I know better, 'cause you said forever and ever
Who knew?
Remember when we were such fools
And so convinced and just too cool
Oh no, no, no
I wish I could touch you again
I wish I could still call you friend
I'd give anything When someone said count your blessings now, before they're long gone
I guess I just didn't know how, I was all wrong
They knew better, still you said forever and ever
Who knew?
I'll keep you locked in my head until we meet again
Until we, until we meet again And I won't forget you my friend
What happened?
If someone said three years from now, you'd be long gone
I'd stand up and punch them out, 'cause they're all wrong and
That last kiss I'll cherish until we meet again
And time makes it harder
I wish I could remember
But I keep your memory
You visit me in my sleep
My darling, who knew?
My darling, my darling, who knew?
My darling, I miss you
My darling, who knew?
Who knew?
