

Modern World

Phat Phunktion

This is the modern world
This is the modern world
What kind of fool do you think I am?
To think I know nothing but the modern world
 All my life is spent outside
 I will turn my head and leave
 Is my inspiration dry?
I'll know more than you'll ever know
 Even at school I felt quite sure
 And one day I'll be on top
 And I'd look down upon the map
And teachers said I don't mean a thing
 This is the modern world
 That I look about
 This is the modern world
We don't need no one to tell us what's right or wrong

Say what you would like
 'cause I don't care
I know what I am and what to do
 Somewhere I will see you
Don't have to explain myself to you
 Don't give two f***s about you
 This is the modern world
 That I look about
 This is the modern world
We don't need no one to tell us what's right or wrong
 Well this is...
 Yeah we don't need no one
 what's right or wrong
 Wrong
 This is the modern world
 This is the modern world
