

# I'll Be Anything You Want

## Auf Der Maur

Ooh love is fun  
Care to dance?  
You're a boy  
I'm a girl  
Are you ready?  
Please?  
Lots of fish  
In the sea  
But is it her?  
Or me?  
That's right  
You'll see the light  
All you need is me honey  
Can't you see?  
I'll be anything you want  
You love me more than you love yourself  
I'll be anything you want  
You love me more than you love yourself  
On my knees on my knees  
Begging you darling please please please  
Pick me, pick me, pick me  
Someday I have to say  
I'll be with you  
Share a dance, romance  
A little dinner for two  
You'll be mine  
I'm yours that's fine  
Everything we've ever dreamed of baby  
Is ours tonight  
I'll be anything you want  
You love me more than you love yourself  
I'll be anything you want  
You love me more than you love yourself  
On my knees on my knees  
Begging you darling please  
I'll be anything you want  
You'll be anything I want  
You love me more than you love yourself  
You'll be anything I want

You love me more than you love yourself  
On my knees on my knees  
Begging you darling please  
Pick me pick me  
You finished with your woman  
Cause she is not me
