

Moves Like Jagger

DJ Ace

[Verse 1]Just shoot for the stars

If it feels right

Then aim for my heart

If you feel like it

take me away, make it okay

I swear I'll behave

You wanted control

So we waited

I put on a show

Now we're naked

You say I'm a kid

My ego is big

I don't give a sh*t

And it goes like this

[Chorus]Take me by the tongue

And I'll know you

Kiss me till you're drunk

And I'll show you

all them moves like jagger

I've got the moves like jagger

I've got the mooooooves... like jagger

I don't need try to control you

Look into my eyes and I'll own you

With them the moves like jagger

I've got the moves like jagger

I've got the mooooooves... like jagger

[Verse 2]Maybe it's hard

When you feel like you're broken and scarred

Nothing feels right

But when you're with me

I make you believe

That I've got the key

So get in the car

We can ride it

Wherever you want

Get inside it

And you want to steer

But I'm shifting gears

I'll take it from here

And it goes like this

[Chorus]Take me by the tongue
And I'll know you
Kiss me till you're drunk
And I'll show you
all the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger
I don't need try to control you
Look into my eyes and I'll own you
With them the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger
[Bridge]You wanna know how to make me smile
Take control, own me just for the night
And if I share my secret
You're gonna have to keep it
Nobody else can see this
So watch and learn
I won't show you twice
Head to toe, ooh baby, roll me right
And if I share my secret
You're gonna have to keep it
Nobody else can see this
And it goes like this
[Chorus]Take me by the tongue
And I'll know you
Kiss me till you're drunk
And I'll show you
All the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger
I don't need try to control you
Look into my eyes and I'll own you
With them the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger
