

Vickie Vance Gotta Dance

[Mark Chesnutt](#)

Spinnin those curlers round all day
Her little beauty shop provides a way
To work at home and sleep in late
So she can dance the night away Pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
And Vickie Vance gotta dance
Yeah, Vickie Vance gotta dance And she can be dancin to nothin at all
And she does a mean swing with the shadows on the wall
Yeah, and I bet shes done the two step a million times
Yeah, she drives all the boys on the dance floor wild Pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
And Vickie Vance gotta dance
Yeah, Vickie Vance gotta dance Ooh, she cant stand still
Yeah, shes dancin off the wall
Dancin on the window sill Yeah, pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
And Vickie Vance gotta dance
Baby, Vickie Vance gotta dance
Yeah, Vickie Vance gotta dance
