Good Night Good Morning

Alexandra Burke

This beat is crazy
This club amazing
This is where I'm gonna be
I'm on the floor don't worry me

And this guy is crazy
His frame amazing
I got my sin all over him
As we dance erotically

His body interlocks with mine
Sends chills all up and down my spine
And I pull him close and whisper in his ear

Oh, I said

What will it be
For you and me
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?

What will it be
For you and me
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?

I feel so crazy
She feels amazing
Ooh the way she's touching me
I can't imagine what it would be

Her body interlocked with mine

Sends chills all up and down her spine
She pulls me closer and whispers in my ear

Oh, she said

When will it be
For you and me
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?

What will it be
For you and me
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?

Everything in the room started spinning
Got his voice in my head

She was turning me on
How she work in the middle
But there's something about her
That get me at middle
She looks me in my eyes and lord she has to say

This beat is crazy
This beat is crazy
This beat is crazy
This beat is crazy

What will it be
(What will it be)
For you and me
(For you and me)
Is it good night?
(Is it good night?)
Or is it good morning?
(ooh)
Is it good night?

Or is it good morning?
Is it good night?
(ooh)
Or is it good morning?

When will it be
(Tell me what will it be-e-e)
For you and me
Is it good night?
Or is it good morning?
(Whoa)
Is it good night?
Or is it good morning?
(Is it good morning?)
Is it good night?
Or is it good morning?
(Is it good morning?)

When will it be
For you and me
(For you and me)
Is it good night?
Or is it good morning?
(Ooh, is it good morning?)
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?

So, what will it be
For you and me
Is it good night?
Or is it good morning?

Is it good night?
Or is it good morning?

This beat is crazy.
