Tumble In The Rough

Stone Temple Pilots

I can't eat, I can't sleep, I can't live, I can't cry
I can't die, I can't walk, I can't talk
I can booze, I can booze, steal your shoes so I can move
Tumble in the rough, tumble in the rough, tumble in the rough
I'm looking for a new mediation
Still looking for a new way to fly
Don't want any plastic validation
Not looking for a new way to die
I made excuses for a million lies
But all I got was humble kidney pie
So what
So what
I can't eat, I can't sleep, I can't live, I can't cry
I can't die, I can't walk, I can't talk
I can booze, I can booze, steal your shoes so I can move
Tumble in the rough, tumble in the rough, tumble in the rough
I'm lookin' for a new stimulation
Quite bored of those inflatable ties
I'm lookin' for a new rock sensation
Dead fish don't swim around in jealous tides
I made excuses for a million lies
But all I got was humble kidney pie
So what
So what
So what
So what
Can't hold you when I miss you
(Tumble in the rough)
Left on a summer intermission
(Tumble in the rough)
Can't hold you when I miss you
(Tumble in the rough)
Left on a summer intermission
(Tumble in the rough)
I can't eat, I can't sleep, I can't live, I can't cry
I can't die, I can't walk, I can't talk
I can booze, I can booze, steal your shoes so I can move
Tumble in the rough, tumble in the rough, tumble in the rough
I made excuses for a million lies

But all I got was humble kidney pie
I made excuses for a million lies
But all I got was humble kidney pie
So what
So what
So what
So what
