

# Saddest Sunset

**Lili Haydn**

Tonight might be the saddest sunset  
It's time to walk this road alone  
And though the darkness has fallen  
It can change in an instant  
'Cause the light that you're longing for  
Is your own

It's hard when no one hears you calling  
Who will catch you if you fall  
And though the waters are rising  
We all leave and come in alone  
And the love that you're longing for  
Is your own

And the love that you're longing for  
Is your own
