

# O Father O Satan O Sun

## Behemoth

Akephalos  
Shine through me  
Come forth in war  
Come forth in peace  
Bring down the sun  
Extinguish all the stars  
Let me remain in splendor of thy lightBornless one  
As darkness bright  
Found not in tongues  
Found not in light  
Bring down the rain  
Drain waters of Styx  
Faustian luminary  
Redeem blaspheme  
Like a day without the dawn  
Like a ray void of the sun  
Like a storm that brings no calm  
I'm most complete yet so undoneAgathos Daimon of plague and fever  
Thy name is nowhere, thy name is never  
Liberate me  
Ignite the seeds  
Bind not to guilt  
Ignis GehennalisOh father, oh satan, oh sun  
Let the children come to thee  
Behold the morning star  
Akephalos  
Shine through me  
Come forth in war  
Come forth in peaceLike a day without the dawn  
Like a ray void of the sun  
Like a storm that brings no calm  
I'm most complete yet so undoneO Lion-Serpent Sun, the beast that whirlst forth  
A thunder-bolt, begetter of life  
Thou that flowest, thou that goest  
Thou Satan-Sun, Hadith, that goest without will  
Thou air, breath, spirit, thou without bound or bond  
Thou essence, air swift-streaming, elasticity  
Thou wanderer, father of all  
Thou wanderer, spirit of allHear me, and make all spirits subjects unto me

So that every spirit of the firmament and of the ether  
Upon the earth and under the earth  
On dry land and in the water of whirling air, and of rushing fire  
And every spell and scourge of God  
May be obedient unto meThou spiritual sun, satan, thou eye, thou lust  
Cry aloud, cry aloud  
Whirl the wheel, oh my father, oh satan, oh sun
