

# Let It Snow

## Roomful Of Blues

The snowman in the yard is frozen hard  
It's a sorry sight to see  
For if he had a brain he'd complain  
I'll bet he wishes he were me  
Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow  
No, it doesn't show signs of stopping  
But I've got some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow  
When we finally kiss goodnight  
How I hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm  
Oh, the fire is slowly dying  
And my dear we're still goodbying  
As long as you love me so  
Let it snow, let it snow, let it snow  
Oh, the fire is slowly dying  
And my dear we're still goodbying  
As long as you love me so  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow
