

I Always Knew

The Vaccines

Down, down in my bones
Somewhere I'd never ever known
Right at the back of my head
It hit me like a beam of light
Hit me like a hook of the right
And I could have fell to the floor
'Cause you talk to me
And it comes off the wall
You talk to me
And it goes over my head
So let's go to bed
Before you say something real
Let's go to bed
Before you say how you feel 'Cause it's you, oh
It's always you, oh
I always knew, oh
It's you I try my best to unwind
Nothing on my mind but you
Oblivious to all that I'll owe
I'm hanging on
To what I don't know
So let's go to bed
Before you say something real
Let's go to bed
Before you say how you feel 'Cause it's you, oh
It's always you, oh
I always knew, oh
It's you
Yeah, it's you, oh
It's always you, oh
I always knew, oh
It's you Well it's you, oh
It's always you, oh
I always knew, oh
It's you
I knew
Well I always knew
Yes I always knew, oh
It's you
