I'll Be Satisfied

Jackie Wilson

Just a kiss, just a smile
Hold my hand, baby
Just once in a while.
That's all need, that's all I need
And I'll be satisfied!
Think of me when you're away
Call me darling
Just once a day
That's all need, that's all I need
And I'll be satisfied!
True love came to me when I met you
True love makes me know I won't forget you
When you're around me, it makes me feel
Life is worth living, baby, love is so forgiving!
