Let's Make Love Tonight

Bobby Rydell

Would you like to be kissed
In the moonlight
A touch of my lips
Will thrill your heartThis is a night
Just made for lovers
So let's make love tonightKiss me, dear
And hold me tight
Look around and you will see
Signs of love
Sounds of young lovers
So let's make love tonightLet's not resist
What we feel inside
A moment like this
Is a moment in paradiseSo, kiss me now
The time is right
Tell me now
How much you love meThis is a night
Just made for lovers
So let's make love tonight
This is a night
Just made for lovers
So let's make love tonight
So let's make love tonight
