

Baby Likes To Rock It

The Tractors

Baby likes to rock it like a boogie woogie choo choo train, train, train

Oh look here, rock it

Boogie woogie choo choo train You know she likes to take me dancin' on the outskirts of town

Where the music's turned up and the lights are turned down

Shakin', shakin', shakin' on the dance, dance floor

Crowd, crowd screamin', screamin' more, more, more Got the boogie woogie woogie spread all over the place

She's got it stacked to the ceilin', got it stickin' in your face

Ya know my baby likes to rock it like a boogie woogie choo choo train Johnny's in the back room suckin' on his
gin

Police are at the front door screamin' let me in

Go, go, go, go dancer's busy showin' off her chest

She don't know what she's doin' but she tries to do her best She got the boogie woogie woogie spread all over
the place

She's got it stacked to the ceilin', got it stickin' in your face

Ya know my baby likes to rock it like a boogie woogie choo choo train Baby likes to rock it, baby likes to rock it

Baby likes to rock it like a boogie woogie choo choo train She got the boogie woogie woogie spread all over the
place

She's got it stacked to the ceilin', got it stickin' in your face

Ya know my baby likes to rock it like a boogie woogie choo choo train She said her name was Emergency and
asked to see my gun

Said her telephone number was 911

Got brother Jimmy on the TV, Killer on the stereo

She said, "If you want to get it you got to let it go" She got the boogie woogie woogie spread all over the place

She's got it stacked to the ceilin', got it stickin' in your face

Ya know my baby likes to rock it like a boogie woogie choo choo train Baby likes to rock it, baby likes to rock it

Baby likes to rock it like a boogie woogie choo choo train She got the boogie woogie woogie spread all over the
place

She's got it stacked to the ceilin', got it stickin' in your face

Ya know my baby likes to rock it like a boogie woogie choo choo train Baby likes to rock it, baby likes to rock it

Baby likes to rock it like a boogie woogie choo choo train She got the boogie woogie woogie spread all over the
place

She's got it stacked to the ceilin', got it stickin' in your face

Ya know my baby likes to rock it like a boogie woogie choo choo train

Yeah, my baby likes to rock it like a boogie woogie choo choo train Choo choo choo choo
