Dream Life, Life

Colbie Caillat

Dear someone
Have you ever wanted out
Of all the stressfulness
All the busyness
You could do without
Take all of your worries
Throw them away
Everyday should be a fun day
Thats what I sayAll I want is a dream life life
With the ones I love
Playing all day long
Laying back by the water side
With nowhere to go
And the music on
All I want is my dream life
To be my real life
How could that be wrong
All we have is this life
So make it be what you want
All I want is a dream life, life
All I want is a dream life, lifeDear summer
Will you find your way back home
I miss your golden kiss
How you warm my skin
Where did you go?
Take all of my worries
And burn them up
Everyday will be a fun day
Unlock my handcuffsAll I want is a dream life life
With the ones I love
Playing all day long
Laying back by the water side
With no where to go
And the music on
All I want is my dream life
To be my real life
How could that be wrong
All we have is this life
So make it be what you want

All I want is a dream life, life
All I want is a dream life, lifeNo I did not call in sick to work today
No I'm not out hanging with my friends
There's no more wasting time on what I think i'm supposed to do
My clock is standing still soI can have my dream life life
With the ones I love
Playing all day long
Laying back by the water side
With nowhere to go
And the music on
I'm working hard for my dream life
To be my real life
And that can't be wrong
All i have is this life
So i'm making it what I wantAll I want is a dream life, life
All I want is a dream life, life
All I want is a dream life, life
All I want is a dream life, life
All we have is this life
Lets make it be what we want
All I want is a dream life, life
All I want is a dream life, life
All I want is a dream life, life
All I want is a dream life, life...
