# All My Love

## Nyanda

There is no treasure no diamonds or gold
To make me change my mind.
When life is tough
Only you can treat me kind.
There is no treasure no diamonds or gold
To buy, what I feel
Your love inspires me, Everyday your love is real.Chorus:
I give you all my life, All my love,
I put my trust in you,
You give me yours and it's enough ,
I give you all my life, All my love,
I put my trust in you you give me yours and it's enough.I see love in any wave of the sea, In every bird that flies
You tricked my heart with your eyes
I want you you to be my umbrella when it rains
And if you want I can be blood in your veins.Chorus:
I give you all my life, All my love,
I put my trust in you,
You give me yours and it's enough ,
I give you all my life, All my love,
I put my trust in you you give me yours and it's enough.Bridge:
I give you my life la la la life
I I I'll give you my life,
and I put my trust in you
I'll give you all my love.Chorus:
I give you all my life, All my love,
I put my trust in you,
You give me yours and it's enough ,
I give you all my life, All my love,
I put my trust in you you give me yours and it's enough.
