

Double Dare

Bauhaus

I dare you, to be real
To touch a flickering flame
The pangs of dark delight
Don't cower in night fright

Don't back away just yet
From destinations set
I dare you to be proud
To dare to shout aloud
For convictions that you feel
Like sound from bells to peal
I dare you to speak of your despise
For bureaucracy, hypocrisy- all liars

I dare
I dare
I dare, you, you
