

# Goodbye Baby

## Elmore James & His Broom Dusters

Now, goodbye, baby, gotta leave you now  
Oh, you told me darlin', you love me no how  
Oh, yeah, I gotta leave you, baby goodbyeAw baby, here's my right hand  
I love you, baby, I can't get you to understand  
Oh, bye, goodbye, baby, baby goodbyeAw yes, here's all of me  
I'll take you, baby, to some place you ought to be  
Oh, bye now, goodbye, baby goodbye
