

The Lovecats

OK Go

We move like Cajun tigers
Oh we couldn't get closer than this
The way we walk the way we talk
The way we stock the way we kiss
Slip to the streets while everyone sleeps Getting bigger and sleeker
And wider and brighter
Bite and scratch and scream all night Its a go and throw
With songs we know
Intimacy you and me Oh it's years of knowing her
I'll show you in the spring
It's a treacherous thing We miss you hiss
The love cats
Miss you hiss
Whoo
So wonderfully
Wonderfully
Wonderfully
Wonderfully pretty Oh you know I'll do anything for you
Should have each other for tea
Should have each other with cream And curl up by the fire
Fall asleep for awhile
It's the grooviest thing
It's a perfect dream
Intimacy you and me Oh it's years of knowing her
I'll show you in the spring
It's a treacherous thing We miss you hiss
The love cats
Miss you hiss
The love cats
So wonderfully
Wonderfully
Wonderfully
Wonderfully pretty Oh you know I'll do anything for you
Should have each other for dinner
Should have each other with cream And curl up by the fire
Get up for awhile
It's the grooviest thing
It's a perfect dream
Hand in hand is the only way to live Always the right way 'round

Not broken in pieces
Like eighty little niece
How could we miss someone as dumb as this
How could we miss someone as dumb as this
I love you let's go
