

# Rock The House

## Dj Jazzy Jeff & The Fresh Prince

When we rock the house there is no doubt  
(Is no doubt)  
That me and Ready C will turn it out  
(Turn it out)  
We're down with the DJ Jazzy Jeff  
(Jazzy Jeff)  
And you know that we are def  
(That we're def)  
And you should not settle for less than the undisputed best  
That's right, we are the best  
Everywhere we go, every time we do a show  
Everybody wants to know how we make em say ho  
The way we do is not a magical trick  
It's just a lotta def rhymes  
(Just like this)  
Somebody yell, ?Hooo hooo-ho?, say, ?Ho, ho, ho, ho?  
Now I'm the Fresh Prince, hello, how do you do?  
I just have a little fun with the rest of my crew  
So take a chill and just relax  
Yo, Ready C, pretend that you're a D.J. and scratch  
All right now, bust a move  
And get the hell out if you're tryin' to bust the groove  
'Cause we came to party all through the night  
And we're excommunicating those who don't act right  
This is a party, so grab somebody  
Drink some Bacardi and dance with everybody  
The feeling's good, some people think it's great  
Get on the dance floor and let your body gyrate  
In cadence with the beat, just move your feet  
While the Prince is on the rhyme  
(Ready C is on the beat)  
My beat box rocks everywhere we go  
Getting utterly respected at every show  
No other can beat me  
No girl can out-freak me, man, I'm getting tired  
Ready C, give me a beat, please  
He does a lot that others cannot do Ready C and the Prince  
The toughest two man crew  
We're coming out rockin' and we're takin' what's ours

Ready C is the man and the suckers he devours  
Beat after beat he gains respect  
Ready C is the man that's keepin' others in check  
I like to rock with him, side by side  
Me and Ready cold chillin' with the utmost pride  
So if you're not down by law to rock the spot  
Then get the hell out, 'cause we're never gonna stop my beatbox  
We been rockin' kinda hard ever since we begun  
Yo Ready C, man, play Stanford and Son  
Now play it under water  
How 'bout a fresh beat a fresh beat Ready C  
How 'bout a fresh beat a fresh beat bust it  
Well, his name is Ready C, and I'm tellin' you  
He can play a beat forwards and backwards too  
Play it backwards  
Bust it Backwards  
Do you know where you're going to  
And do you like the things that Ready C is showin' you? Showing you  
Where you're goin' to, goin' to  
Do you know that we are down by law?  
We want you all to know that we're primal of all  
And when we rock the house there is no doubt  
That me and Ready C will turn it out  
Do you know where you're goin' to  
And do you like the things that Ready C is showin' you?
