

# My Foolish Heart (Live (1966/Town Hall))

## Bill Evans

The night is like a lovely tune  
Beware my foolish heart  
How white the ever constant moon  
Take care my foolish heartThere's a line between love and fascination  
That's hard to see, how many names such as this  
For they both have the very same sensation  
When you're locked in the magic of a kissHer lips are much too close to mine  
Beware my foolish heart  
But should our eager lips combine  
Then let the fire startFor this time it isn't fascination  
Or a dream that will fade and fall apart  
It's love, this time it's love  
My foolish heart
