

# Flashy Lady

Barry Manilow

Prance, prance I'm goin' go in to your dance  
Flashy lady, yeah  
Shake, shake, you know you got what it take  
Flashy lady  
Everything I got depends on you flashy lady  
No one else can love me like you do  
No one else but you 'cause you got that thing  
Flashy lady, come on and strut your stuff  
Strut your stuff now, now, flashy lady  
I just can't get enough, no, not enough  
You know when other people call you trash  
I love to love a flashy lady  
Wild, wild, you really got on me now  
Flashy lady  
Shine, shine, you know you're lookin' fine  
Flashy lady  
I can never let you get away, flashy lady  
And it doesn't matter what they say  
You're gonna get your way 'cause you got that thing  
Flashy lady, come on and strut you stuff  
Come on, come on now  
Flashy lady, I just can't get enough, no, not, not enough  
You know when other people call you trash  
I love to love a flashy lady  
Flashy lady, yeah, yeah, yeah  
Don't you know you got a grand prance  
Come on, go in to your dance, flashy lady  
Shake, shake, you know you got what it takes  
Flashy lady  
I can use a taste of what you got, flashy lady  
You can chase away the blues I got  
The bad news I got when you use that thing  
Flashy lady, come on and strut your stuff  
Come on, come on now  
Flashy lady, I just can't get enough  
You know, you know, you know  
Know when people call you trash  
I love to love the flashy lady  
Flashy lady

Flashy lady, prance, prance come on, come on  
Flashy lady, shake, shake, you know you got what it takes  
Oh shine, shine, you know you're lookin' fine  
Flashy lady
