Why'd You Have To Be So Good

Heidi Newfield

Could have got by feelin? just ok
Would have been fine for another day
If you never met me
Could have settled down for the hell of it
Probably found someone to sleep walk with
But you couldn?t let me
If it wasn?t for all we had
It might not hurt so bad
Why?d you have to be so good
Why?d you?d have to love me so much
Why?d you never let me down
Like everybody else in the this town
Just when all my faith was leavin?
You finally had me believin?
When I didn?t think I could
Oh why?d you have to be so good
It?s hard to get buy getting over you
I can?t find nothing to compare it to
Oh why would I want to
You put your arms around everything you touch

Put your arms around me is what I need so much
Oh I miss you so much
Why?d you have to be so good
Why?d you?d have to love me so much
Why?d you never let me down
Like everybody else in the this town
Just when all my faith was leavin
You finally had me believin
When I didn?t think I could
Oh why?d you have to be so good
So good
You showed me what it?s like to live
And I guess that ain?t so bad
Why?d you have to be so good
Why?d you?d have to love me so much
Why?d you never let me down
Like everybody else in the this town
Just when all my faith was leavin?

You finally had me believin?
When I didn?t think I could
Oh why?d you have to be so good
Oh baby so good
Why?d you have to be so good
