

Broken Glass Park

Simple Minds

At summertime we go down to Broken Glass Park,
We'd sit on down until light fades through to dark,
Do you remember me?
Everytime we go down to Broken Glass Park,
We'd sit on down 'til day turned into dark,
Do you remember me? It was the last day of the last great century.
We were so young in my memory.
And Broken Glass Park,
Head for the sun.
Stay out all night,
'Til morning had come.
Tune in to ourselves,
Get lost here for days.
Turned in to time,
Still frozen in space. In Broken Glass Park,
Let's head for the sun,
Stayed out all night,
'Til morning had come.
Tune in to ourselves,
Get lost here for days,
Frozen in time. But I'm still hooked - do you remember me?
Everytime we go down to Broken Glass Park.
We'd sit on down until light turned to dark.
Do you remember me?
It was the last day of the last great century.
We were so young in my memory.
And Broken Glass Park,
Head for the sun. Stay out all night,
'Til morning had come.
Tune in to ourselves,
Get lost here for days.
Turned in to time,
Still frozen in space.
In Broken Glass Park,
Let's head for the sun,
Stayed out all night,
'Til morning had come.
Tune in to ourselves,
Get lost here for days,

Frozen in time.
May those moments rest in here with me.
And it will always be. One day longer the sense gets stronger,
And I know it will be, this is our destiny.
And Broken Glass Park,
Head for the sun.
Stay out all night,
'Til morning had come.
Tune in to ourselves,
Get lost here for days.
Turned in to time,
Still frozen in space. In Broken Glass Park,
Let's head for the sun,
Stayed out all night,
'Til morning had come.
Tune in to ourselves,
Get lost here for days,
Frozen in time. We had fun, fun, fun, fun, fun, fun.
We had fun, fun, fun, fun, fun, fun.
We had fun, fun, fun, fun, fun, fun. fun, fun, fun, fun!
