

Follow You Home

Embrace

Well sometimes I see an end disguised as a beginning
And sometimes I feel the force of the blow
And every day I take my toe and I dip it in the water
Every day it almost freezes me whole
It looks like I'm off the team, a survivor on the screen
Like I've got nothing left with nothing to show
And there's no reason to pretend your middle name's forgiving
I can see you've got a party to throw(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home (Oh oh oh)I won't quit while you're ahead, I won't pay for what I said
You're gonna have to take it out of my nose
'Cause every word just makes me choke, makes me sorry that I spoke
That's what I get for talking back I suppose
I've been queueing up for this, now my name's not on the list
And I missed who to call to get to the show
Well I don't mean to rush you on, I was stood here all along
And I've been waiting for a lifetime or so(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you
(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home (Oh oh oh)You smashed the glass and set me free
But you don't want no more from me
Your final kiss jammed in the final piece
So I could see
I wrote you letters, sang you songs
But nothing works on you no more
I know it's much too late but I can't let go
Is there still hope?(Oh oh oh)
(Oh oh oh)
(Oh oh oh)
(Oh oh oh)(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow you home
(Oh oh oh) I'm gonna follow youThe words that I wasted were bad adverts
All cut and pasted and nothing works
The songs that I sang you just made it worse
With melodies you don't follow

It said on your wall that you're over me
Your image an outline that burns my screen
But I'm not your stalker it's just my need
I said it to see if you'd follow me
