Radiohead

Please could you stop the noise
I'm trying to get some rest
From all the unborn chicken voices in my head
What's that?
What's that?When I am king, you will be first against the wall
With your opinion which is of no consequence at all
What's that?
What's that?Ambition makes you look pretty ugly
Kicking, squealing Gucci little piggy
You don't remember
You don't remember
Why don't you remember my name?
Off with his head, man
Off with his head, man
Why don't you remember my name?
I guess he doesRain down, rain down
Come on rain down on me
From a great height
From a great height, height
Rain down, rain down
Come on, rain down on me
From a great height
From a great height
Rain down, rain down (that's it, sir, you're leaving, the crackle of pigskin)
Come on rain down on me (the dust and the screaming, the yuppies networking)
From a great height (the panic, the vomit, the panic, the vomit)
God loves his childrean
God loves his children, yeah
