## Radiohead

Please could you stop the noise  
I'm trying to get some rest  
From all the unborn chicken voices in my head  
What's that?  
What's that? When I am king, you will be first against the wall  
With your opinion which is of no consequence at all  
What's that?  
What's that? Ambition makes you look pretty ugly  
Kicking, squealing Gucci little piggy  
You don't remember  
You don't remember  
Why don't you remember my name?  
Off with his head, man  
Off with his head, man  
Why don't you remember my name?  
I guess he does Rain down, rain down  
Come on rain down on me  
From a great height  
From a great height, height  
Rain down, rain down  
Come on, rain down on me  
From a great height  
From a great height  
Rain down, rain down (that's it, sir, you're leaving, the crackle of pigskin)  
Come on rain down on me (the dust and the screaming, the yuppies networking)  
From a great height (the panic, the vomit, the panic, the vomit)  
God loves his childrean  
God loves his children, yeah
