

# I Just Want to Be Your Everything

Andy Gibb

For so long you and me been finding each other for so long  
And the feeling that I feel for you is more than strong, girl take it from me  
If you give a little more than you're asking for your love will turn the key Darling mine I would wait forever for  
those lips of wine  
Build my world around you, darling, this love will shine girl, watch it and see  
If you give a little more than you're asking for your love will turn the key I , I just want to be your everything  
Open up the heaven in your heart and let me be  
The things you are to me and not some puppet on a string  
Oh , if I stay here without you, darling, I will die  
I want you laying in the love I have to bring  
I'd do anything to be your everything Darling for so long you and me been finding each other for so long  
And the feeling that I feel for you is more than strong girl, take it from me  
If you give a little more than you're asking for your love will turn the key I , I just want to be your everything  
Open up the heaven in your heart and let me be  
The things you are to me and not some puppet on a string  
Oh, if I stay here without you, darling, I will die  
I want you laying in the love I have to bring  
I'd do anything to be your everything I , I just want to be your everything  
Open up the heaven in your heart and let me be  
The things you are to me and not some puppet on a string  
Oh, if I stay here without you, darling, I will die  
I want you laying in the love I have to bring  
I'd do anything to be your everything
