My Soul, My Surrender

Eye Alaska

I told you
Keep back, I don't want to talk anymore
Oh, this isn't hurting you that I'm gone
Keep back, I don't wanna see you at all
Cause Ive been up and down and all around
And all the time I'm thinking to myself Ive got all
I have all the time in the world
To make this all seem so right
My wings in flightWe are the loneliest
We are the loneliest
My soul, we are so lonely
My soul, My soul, my surrender (2X)I'm going now with the ship
I don't know where I'm headed
But if I did I'd make my decent into the sea
Cause I'm thinking that I've got all
I've had all the time in world
To make this all seem so right
My wings in flightWe are the loneliest
We are the loneliest
My soul, we are so lonely
My soul, my surrenderWe are the loneliest
My friend, My Soul
We are the loneliest
My friend, my soul, my surrenderWe want the airwaves back
We want the airwaves back
We want the airwaves back
This is the shape of things to come....oh
