All In My Head

Shawn Mullins

I'm just trying to get by
I'm just looking for a new high
And everybody moves so fast, no time to wonder why
I'm just trying to get byIs it all in my head?
Is it all in my head?
Could everything be alright
Without me knowing?Is it all just some game
Where everything stays the same?
Is it all in my head?I'm just working for the man
I'm just trying to lend a hand, yeah
But if I had a rocket ship, I'd never want to land
I'm just doing the best I canIs it all in my head?
Is it all in my head?
Could everything be alright
Without me knowing?Is it all just a game
Where everything stays the same?
Is it all in my head?Everybody needs a little love
To make it all work out
I'm still looking to the stars aboveIs it all in my head?
Is it all in my head?
Can everything be alright
Without me knowing?Is it all just a game
Where everything stays the same?
Is it all in my head?
All in my head
