

Let's Get Blown

Snoop Dogg

Yes sir
Can I get more thrills?
You know you want some more, girl, so, come on
Can I get more thrills?
You know you want some more, girl, so, come on
Let's get blown, let's get blown
Looking at the ladies, all of them fly
I don't know which one I want dawg
I can't make up my mind, girl
So, won't you make it easy on me?
Then take this drink, then hit this weed
Two step wit me, let's slip to the dance floor
On and on and on and on we go
I'll dip you if you want me to
You see, I really wanna get a little front wit you
Bigidy bump wit you, a nigga wanna hump you
And then just comfort you
And then I'll pop the top and lay you on the cot
And get you nice and hot
Yeah, yeah, it's all to the real
We could do it like Guy, c'mon girl, let's chill
Can I get more thrills?
You know you want some more, girl, so, come on
Can I get more thrills?
You know you want some more, girl, so, come on
Let's get blown, let's get blown
Now, you can fly the friendly skies
With the S N double O P D O double G Y
Now, don't ask why, just keep looking good in the hood
Damn girl, you so fly
We can do what you want to
You say you drink Alize or was is Malibu?
It don't really matter though
You remind me of the time when I had a ho'
She kept telling me, Doggy, Dogg, I gotta go
So, I let her get in the wind and co-macked her friend
2 plus 2, it equals 4, this is some shit that could last forever more

I'm trying to put my bid in, naw, I'm just kidding

Come on Ma, get in and don't ask where we going
Pimping and hoeing, drink pouring and weed blowing
You know it, come on
Can I get more thrills?
You know you want some more, girl, so, come on
Can I get more thrills?
You know you want some more, girl, so, come on
Let's get blown, let's get blown
I've been looking at you from the corner of my eyes
Checking out your hips, lips, tits and your thighs
I've been wanting to do you for a mighty long time
You make a pimp wanna sing, I, I, I
Well, head to the hills, your dreams I'll fulfill
We could do it how you want 'cause I'm, oh, so real
Tell me you, naw, I won't squeal
You wit Da Big Boss Dogg, so, seal the deal
Pharrell got the Babyface and Dogg got the Whip Appeal
So, name the place
This love I bring to you, on the real baby girl
Won't you do me a favor and sing for Snoop?
Can I get more thrills?
You know you want some more, girl, so, come on
Can I get more thrills?
You know you want some more, girl, so, come on
Let's get blown, let's get blown
(You know you want it)
If I got it I'm a give it to you
(So, come and get it)
If I got it I'm a give it to you
(If I got it)
If I got it I'm a give it to you
(Then you can get it)
Ya know, hey, oh
Can I get more thrills?
Can I get more thrills?
