

# My Stupid Mouth

John Mayer

My stupid mouth  
Has got me in trouble  
I said too much again  
To a date over dinner yesterday And I could see  
She was offended  
She said, "Well anyway"  
Just dying for a subject change Oh, it's another social casualty  
Score one more for me How could I forget?  
Mama said, "Think before speaking"  
No filter in my head  
Oh, what's a boy to do  
I guess he better find one soon We bit our lips  
She looked out the window  
Rolling tiny balls of napkin paper  
I played a quick game of chess with the salt and pepper shaker And I could see clearly  
An indelible line was drawn  
Between what was good  
What just slipped out and what went wrong Oh, the way she feels about me has changed  
Thanks for playing, try again How could I forget?  
Mama said, "Think before speaking"  
No filter in my head  
Oh, what's a boy to do  
I guess he better find one I'm never speaking up again  
It only hurts me  
I'd rather be a mystery  
Than she desert me Oh, I'm never speaking up again  
Starting now  
Starting now One more thing  
Why is it my fault?  
So maybe I try too hard  
But it's all because of this desire I just wanna be liked  
I just wanna be funny  
Looks like the jokes on me  
So call me captain backfire I'm never speaking up again  
It only hurts me  
I'd rather be a mystery  
Than she desert me Oh, I'm never speaking up again  
I'm never speaking up again  
I'm never speaking up again

Starting now  
Starting now
