

Serial Killers Don't Kill Their Boyfriend

Front 242

Here, under your bed I wait for you
'Cause I know, I know you want me to
Skeleton in your closet was never so true
You're so very pretty when you're turning blueWhen I hear the sound of your voice
You leave me no choiceBe myself, wanna be myself
 Be myself, wanna be myself
 Be myself, wanna be myself
Be myself, wanna be myselfI'm feeling lucky tonight
I know your mother thinks I'm society's parasite
 Well you can leave your mother home
You know how much I like to be aloneAnd when I hear the sound of her voice
She leaves me no choiceBe myself, wanna be myself
 Be myself, wanna be myself
Be myself, wanna be myselfHere, under your dress I wait for you
'Cause I know, I know you want me toWhen I hear the sound of her voice
She leaves me no choiceBe myself, wanna be myself
 Be myself, wanna be myself
 Be myself, wanna be myself
 Be myself, wanna be myself
Be myself, wanna be myselfWhy can't you go, let me be myself
