When I'm Yours

The Hollies

Turning me on and with your eyes
Playing along and with your eyes
Coming on strong and with your eyes
You burn me
Searching to please and with your smile
Cursing with ease and with your smile
Kindle the flame and with your smile
You burn me
I'd rather you told me that you couldn't care less
Than put me through numbers that feel like a test
I want you
But I gotta know that I'm wanted
That I don't get taken for granted
When I'm yours
Turning me on and with your eyes
Playing along and with your eyes
Coming on strong and with your eyes
You burn me
Searching to please and with your smile
Cursing with ease and with your smile
Kindle the flame and with your smile
You burn me
I'd rather you told me that you couldn't care less
Than put me through numbers that feel like a test
I want you
I'll be yours to command and obey
I won't demand, but I gotta know
That I'm wanted

And I don't get taken for granted
When I'm yours
Break
I'll be yours to command and obey
I won't demand, but I gotta know
That I'm wanted
And I don't get taken for granted
When I'm yours
I'll be yours to command and obey
I won't demand, but I gotta know

That I'm wanted
And I don't get taken for granted
When I'm yours
I'll be yours to command and obey
I won't demand, but I gotta know
That I'm wanted
And I don't get taken for granted
When I'm yours
I'll be yours to command and obey
I won't demand, but I gotta know
That I'm wanted
And I don't get taken for granted
When I'm yours
I'll be yours to command and obey
I won't demand, but I gotta know
That I'm wanted
And I don't get taken for granted
When I'm yours
